

Keep NYC Congestion Tax Free

July 8, 2007

The Truth about Congestion Pricing and Mass Transit

The advocates for the congestion pricing tax scheme ignore the reality that mass transit cannot handle the crush of 100,000 (*their* estimate) riders who would be forced from their cars and into our commuter lines and subways.

Just look at what riders are facing today! [Please click here to view this important video message.](#)
